

Here at Congerstone, we use a Systematic Synthetic Phonics Programme called ‘Rising Stars Rocket Phonics’. This structured programme has been written by phonics experts and supports us in teaching our pupils the knowledge and skills needed to read and write. Teacher’s use a combination of engaging digital and printed resources to teach daily phonics lessons, each lasting 30 mins. The ‘Rising Stars Rocket Phonics’ programme is aligned to our ‘Rising Stars Reading Planet’ reading book scheme. Follow the links below for more information.

- [Reading Planet Rocket Phonics Parents Guide](#) - an overview of the programme

- [The English Alphabetic Code: A Guide for Families](#) – a video for parents, carers and families in which the author of the programme *Abigail Steel* explains what the English alphabetic code is and how we teach it through Rocket Phonics.

- Reading Planet Rocket Phonics Pronunciation – in these videos you will hear the correct pronunciation of every phonics sound (or grapheme-phoneme correspondence) in each colour band.

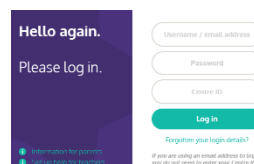

Reception

- [Pink A](#)
- [Pink B](#)
- [Red A](#)
- [Red B](#)
- [Yellow](#)
- [Blue part 1](#)

Year 1

- [Blue part 2](#)
- [Green part 1](#)
- [Green part 2](#)
- [Orange part 1](#)
- [Orange part 2](#)
- [Orange part 3](#)

- Fully decodable eBooks are also assigned on the ‘Rising Stars Rocket Phonics’ online platform. Your child will be allocated login details by their class teacher. [Rising Stars Login page](#)

- [Rocket Phonics Online: Parent’s and Pupil’s Guide](#) –information on how to use the online platform.
