Inspiring each other to achieve success

Welcome from the Headteacher

It gives me great pleasure to share this information about Congerstone Primary School with you. The key to our school, through our mission statement is simply,

'Inspiring each other to achieve success'.

Here at Congerstone Primary School we welcome children, their parents and carers into our friendly, happy and hardworking environment where, positive attitudes towards work, respect for others and excellent behaviour are an essential part of everyday routines.

Congerstone Primary School is a school where staff, governors, children and parents are valued for the unique qualities they bring to school and work hard within a stimulating school environment to ensure every child reaches his or her full potential.

The parent body is very supportive of the school and works in close partnership with the school philosophy; all children have a right to success and a right to an excellent education.

This booklet is intended as a short introduction, more detailed information can be found in our prospectus, which can be downloaded from the website or requested from school.

If you would like to know more about our school please contact the school's Administration Officer, Ms Caroline Hunter, who will be happy to arrange an appointment for you to visit.

We look forward to working in partnership with you and your children.

- Opportunities to make active
healthy choices every day
- A wide range of extra-curricular
activities

Congerstone Primary School

We are a *high achieving* village school, which offers:

- Excellent attainment and progress

Children are supported and encouraged to be independent and take responsibility for self-motivating themselves; so, they move out of their 'comfort zone', learn from their mistakes and work hard in partnership with each other and their teachers.

We set aspirational targets for all our children, which challenge them to **'be the best they can be'**.

As a result, we regularly achieve results at the end of Keystage 1 and 2 that are above National levels and are some of the best in Leicestershire.

What our children say about our school

I have enjoyed maths this year, as I now believe that I can do the harder work. Y6

In my class I have liked speaking aloud and have become more confident
Y5

'I loved DT because we were tasting, designing and making our own dips. We also made our own adverts for it.' Y6

'I am loving leadership, because I want to show younger children correct ways to get better at PE.'
Y6

I have enjoyed learning things about myself and having to come out of shell to do it. I now feel more confident with myself. Y6

'My friends are here!' Y1

'I loved Area Sports because it was hard and challenging, it really made me happy when people say how fast I was. The Young Voices concert in the Genting Arena was really big and quite dark for a moment.' Y5

'I love our lovely colourful classroom'

'I am happy when I'm learning' Y2

'I know I need to get more involved in lessons, because I'm letting other people answer all the questions and I should challenge myself more to have a go.' Y5

What our parents say about our school

"This is a great school and I would recommend it to anyone. I am happy with my child coming here every day!"

"I am extremely proud of my child for never giving up and always trying his best"

"My daughter's homework is weekly and she wants to read and say her letters, as well as numbers, which we do together in the evenings"

"An excellent school which treats the children as individuals. Great school community"

"My child loves coming to school and always comes home excited to tell us about her day." Y1 parent

"My child was determined to do his best this year and I am really grateful for all the advice and guidance he's had. He has seized the opportunities you have given him and really progressed; not just academically, but holistically."

"It is so lovely to see my child conquering his fears and learning his own methods to solve problems" Y4 parent

"My child has really enjoyed this year at school she has looked forward to every day." Y4 parent

"He has really thrived this year and settled really well into Congerstone school life. He enjoys every aspect of his school day, academically and socially. A special thanks to all the staff for making him feel so at welcome – we thoroughly appreciate it.

*"We have been really pleased with the progress * has made at school this year. Her confidence has grown enormously, the environment at school has been key to this. All credit to school. "*

In March 2023 OFSTED said.....

Smiles are consistently commonplace.

Children in early years are happy, engaged and get on well with each other.

School has a community feel. The staff genuinely care about the children and want them to fulfil their potential.

Pupils are taught to read from the moment they arrive at the school. Pupils develop a love of reading.

Children say 'learning means the world' curriculum has bought 'learning to life'.

Pupils with special needs and/or disabilities (SEND) are well supported. They get the help they need to learn the curriculum alongside their peers.

Personal development is well catered for. Pupils develop tolerance, understanding and mutual respect. They understand what discrimination is. They say that it is not tolerated at their school.

Senior leaders and governors work systematically to address any emerging weaknesses. They prioritise the rights things. Leaders have made keeping pupils safe their highest priority. Pupils say they feel safe and cared for.

Vision

We celebrate the *unique* qualities and ideas everybody brings to learning within our school.

Children become *imaginative, independent and purposeful learners*; motivated by a wide range of challenging opportunities, set within a stimulating school environment, which promote a healthy body and mind.

We inspire a *passion for learning*, built on resilience and curiosity, children develop *high aspirations*. Undeterred by challenge and unfamiliar context, they confidently take their place within an ever-changing world.

Inspiring each other to achieve success.
