

Inspiring each other to achieve success

Uniform

At Congerstone Primary School we believe that wearing school uniform and feeling a sense of pride when wearing it, is an important part of reaffirming the high expectations we have of children's behaviour and work. **Where there is pride in appearance and good behaviour, by implication there is a positive attitude to learning.**

Daily uniform

- *Navy blue sweatshirt, jumper or cardigan (preferably school style).
- *White polo shirt.
- Dark grey straight leg school trousers or skirt (no jeans, tracksuit bottoms or leggings).
- Dark grey school style shorts (no football or PE shorts)
- Securely fastening school shoes (no trainers and for safety reasons no heels)
- In summer low heeled, securely fastening sandals may be worn.
- Girls may also wear a blue and white, school style, summer dress if preferred.
- Grey, black, or white socks/tights.

PE Uniform

- *Royal blue shorts (no tights/leggings/skins to be worn underneath shorts)
- *Plain Royal blue round neck T shirt with school logo. (no skins under T shirts)
- Children work in bare feet for dance/gymnastics but will need trainers for indoor and outdoor games activities.
- *School sweatshirt/*school PE hoody and suitable *navy tracksuit bottoms/leggings can be worn over the top of shorts/t shirts on colder days. Children will be asked to remove them and complete indoor PE lessons in shorts and t/shirt.

*(*available for ordering from school office)*

Jewellery

- Watches may be worn at parents own risk.
- One pair of small stud earrings only may be worn. For safety reasons your child must be able to take these out themselves for PE activities (or provide surgical tape to cover them over). If not, they must be left at home.
- No other jewellery or nail varnish should be worn for school. Nails should be kept short to aid effective handwashing.

Hair

All children are expected to wear their hair sensibly, neatly and in a natural colour/style. Long hair should be tied back. Head lice are a problem in all schools and can affect any child, however clean their hair is. Parents should check their child's hair regularly.
