PHYSICAL EDUCATION

- Take some time to reflect on your intent, implementation and impact from last academic year to celebrate your wins but to also think about improvements for the year ahead.
- You do not need to complete every box. Just record the information that is key to your school's priorities and areas of focus.

Remember - Be clear about how you focused spending on key groups such as SEND, girls and disadvantaged pupils.

<u>Swimming and Water Safety</u>	What went well? Supporting evidence?	What didn't go well? Supporting evidence?
1. Swim competently, confidently and proficiently over a distance of at least 25 metres	73% children were able to swim a minimum of 25m Teacher assessment	Engagement
2. Use a range of strokes effectively (for example, front crawl, backstroke and breaststroke)	46% children were able to use a range of strokes effectively Teacher assessment	Children didn't consistently attend lessons (see registers)
3. Perform safe self-rescue in different water-based situations	60% children were able to perform safe rescue procedures. Children were able to carry self-rescue skills into other lessons such as PSHE. Skills were also delivered to whole school in Summer term as reminder for safety over summer holidays

Key areas as outlined in PE and sport premium guidance	What went well? Supporting evidence?	What didn't go well? Supporting evidence?
1. Increasing confidence, knowledge and skills of all staff in teaching PE and sporting activities prioritising CPD and training where needed	Teachers attended cricket and RISE gymnastics training: Increasing confidence and knowledge to teach, as well as gaining new ideas for lessons. Teachers have good quality equipment and know what is available to them.	Curriculum needs reviewing to ensure that it is up to date and engaging. This will be a priority next year to help with staff confidence too. Lessons were not always carried out to their full potential due to weather/ location problems, especially in winter months.
2. Increasing engagement of all pupils in regular physical activity and sporting activities	Leadership days for year 5 and 6 increased self confidence Sports coach worked with yr 5 and 6 to develop skills of leadership Lunchtime staff promote whole school participation in activities (skipping / dancing) Updated lunchtime resources High engagement in after school clubs and competitions for all ages	Use of outdoor areas (pond / woodland area)

Key areas as outlined in PE and sport premium guidance	What went well? Supporting evidence?	What didn't go well? Supporting evidence?
3. Raising the profile of PE and sport across the school, to support whole school improvement	Children are actively engaged in sports both in and out of school. Pupil voice supports this. Wide range of extra curricular offerings in place PE resources easily accessible Children have represented a range of sporting health and well being events	Unity Cross Country take up wasn't as well attended. Whole school approaches for events happening in the wider community (linking to EURO's, World Cups etc)
4. Offer a broader and more equal experience of a range of sports and physical activities to all pupils and ensure equal access to sport for boys and girls	Children have been engaged in a wide range of experiences from Maypole Dancing and Gymnastics to Football and Netball. Year 6 girls taken part in 'Strong Girls Can' to help promote females and their confidence in sport. Children have taken part in more 'taster' events.	After school clubs and use of the MUGA in the Winter months Not as much to offer to children with SEND- make this a priority for 25/26 academic year.
5. Increasing participation in competitive sport	High percentage of children taking part in sporting events Representing list shows wide range of events and a large percentage of children across school having attended events.	Offer a wider variety of events so that it appeals to a wider range of children, including SEND and PP. Less opportunities for KS1 and EYFS children, in school or competitive competitions.

Aims for the next academic year (2025/2026)

	Intent - what is your objective?	Implementation - How will you achieve this?	Impact - What do you hope to see?	Supporting evidence
Plan and monitor (Complete now and monitor)	Develop lunchtime play provision to increase activity for less active groups of children, as well as those with SEND.	A confident and competent group of activity leaders that take initiative and create a more active and inclusive playground for all pupils. Lunch supervisors and all staff leading a range of physical activities and joining in with movement daily to role model. A happier, more active playground that meets the needs of all pupils especially SEND and girls.	Participation and engagement will be increased amongst less active pupils, leading to an increase in confidence in physical activities.	Pupil voice data surveys and school council discussions. Conduct regular observations of the playground to gauge activity levels of the least active children. Staff voice and feedback.
